---

**CITY OF LOS ANGELES  
WATERSHED PROTECTION DIVISION  
Health Hazard Assessment**

**DATE:** February 12, 2016

**CASE ID NUMBER(S):** 25441

**INCIDENT LOCATION:** 500 block of Towne in Skid Row, Los Angeles, CA

**WPD Officers:** Michael Evers, Susan Berberabe

**SUBJ:** Operation Healthy Street – LAPD RESET PROGRAM

**OPERATIONAL RESPONSIBILITIES**

- LAPD – security, incident command, collect and transport personal property according to protocol,
- Solids – collect solid waste/trash in the trash truck to transport and dispose all solid waste,
- Clean Harbors – spray disinfectant, collect – transport – dispose of all hazardous waste collected.
- WPD – In support preform health hazard inspection and assessments

**REPORT**

At approximately 0900 hours on February 12, 2016, Watershed Protection Division (WPD) Officers Evers and Berberabe arrived at the northwest corner of 5<sup>th</sup> and Towne. WPD Officers processed the encampment, removing health hazards. Various trash and debris were located and disposed of accordingly.

Upon arrival at the northwest corner of Towne at 5<sup>th</sup> Street the WPD Officers found an area that had been tape off by LAPD. The tape off area indicated an arrest had been made. This was affirmed by a LAPD Officer.

The area was approximately 10 feet long by 5 wide. It appeared to the officers that the items within the taped area had been moved from Towne to this location. The items to the south were in disarray and were soiled. The items on the north side of the sidewalk were stacked and covered. The WPD Officers recovered the following

8 bags of personal belongings saved- given to LAPD for storage and handling. Items saved included clothing, medical devices and medication, blankets, toiletries . 2 shopping carts collected

**Removed from this incident**

Contaminated clothing and blankets

Bulky items included but not limit to: mattress, bedframe, wide screen TV and shopping carts

Various aerosols and Food perishables

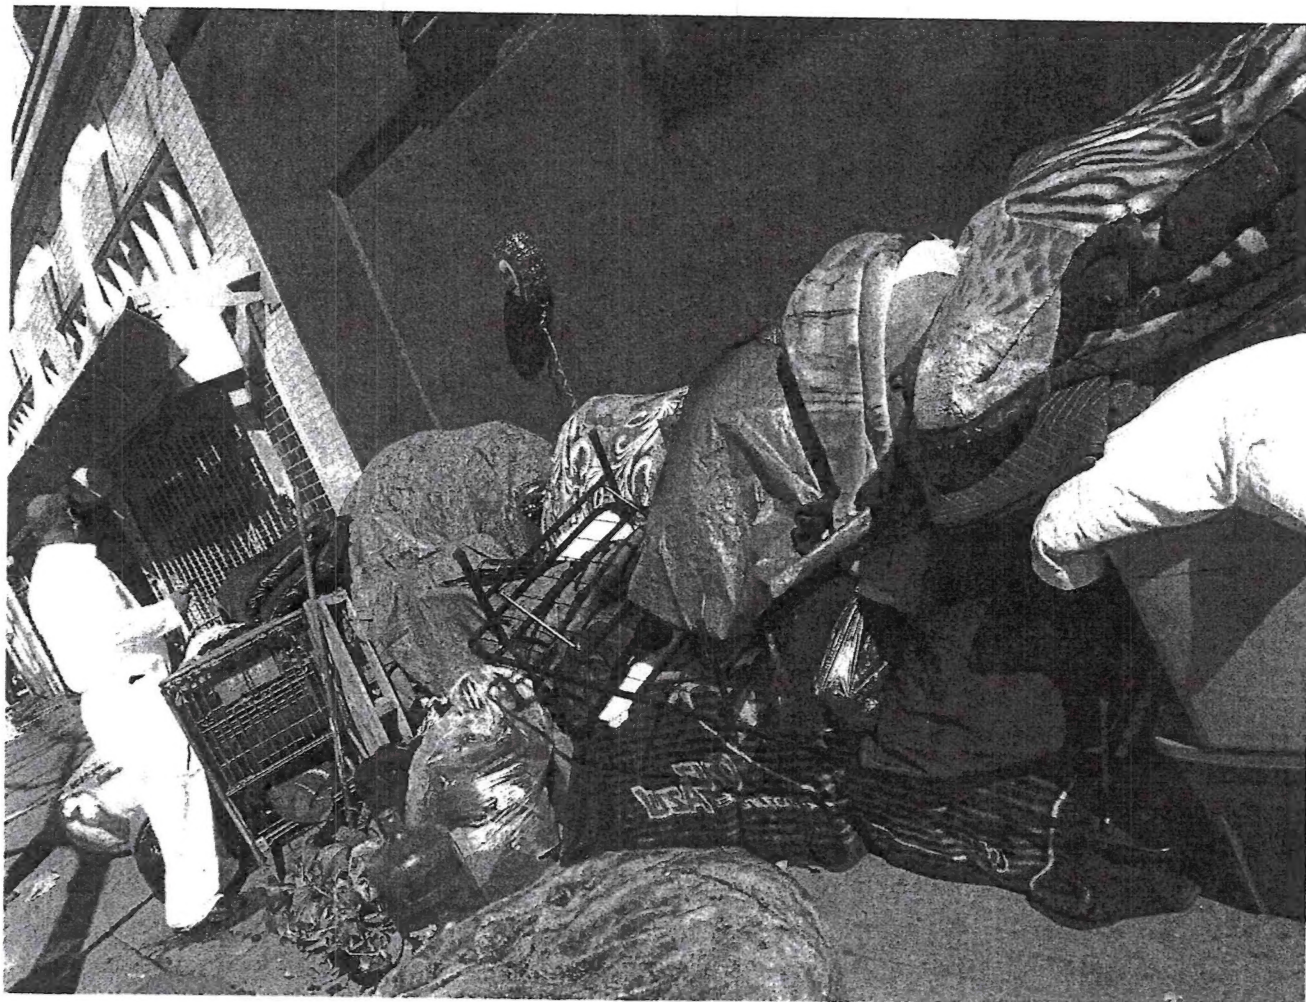

*All containers and plastic bags containing personal property were labeled and transported by LAPD to a storage facility provided by LAPD.*

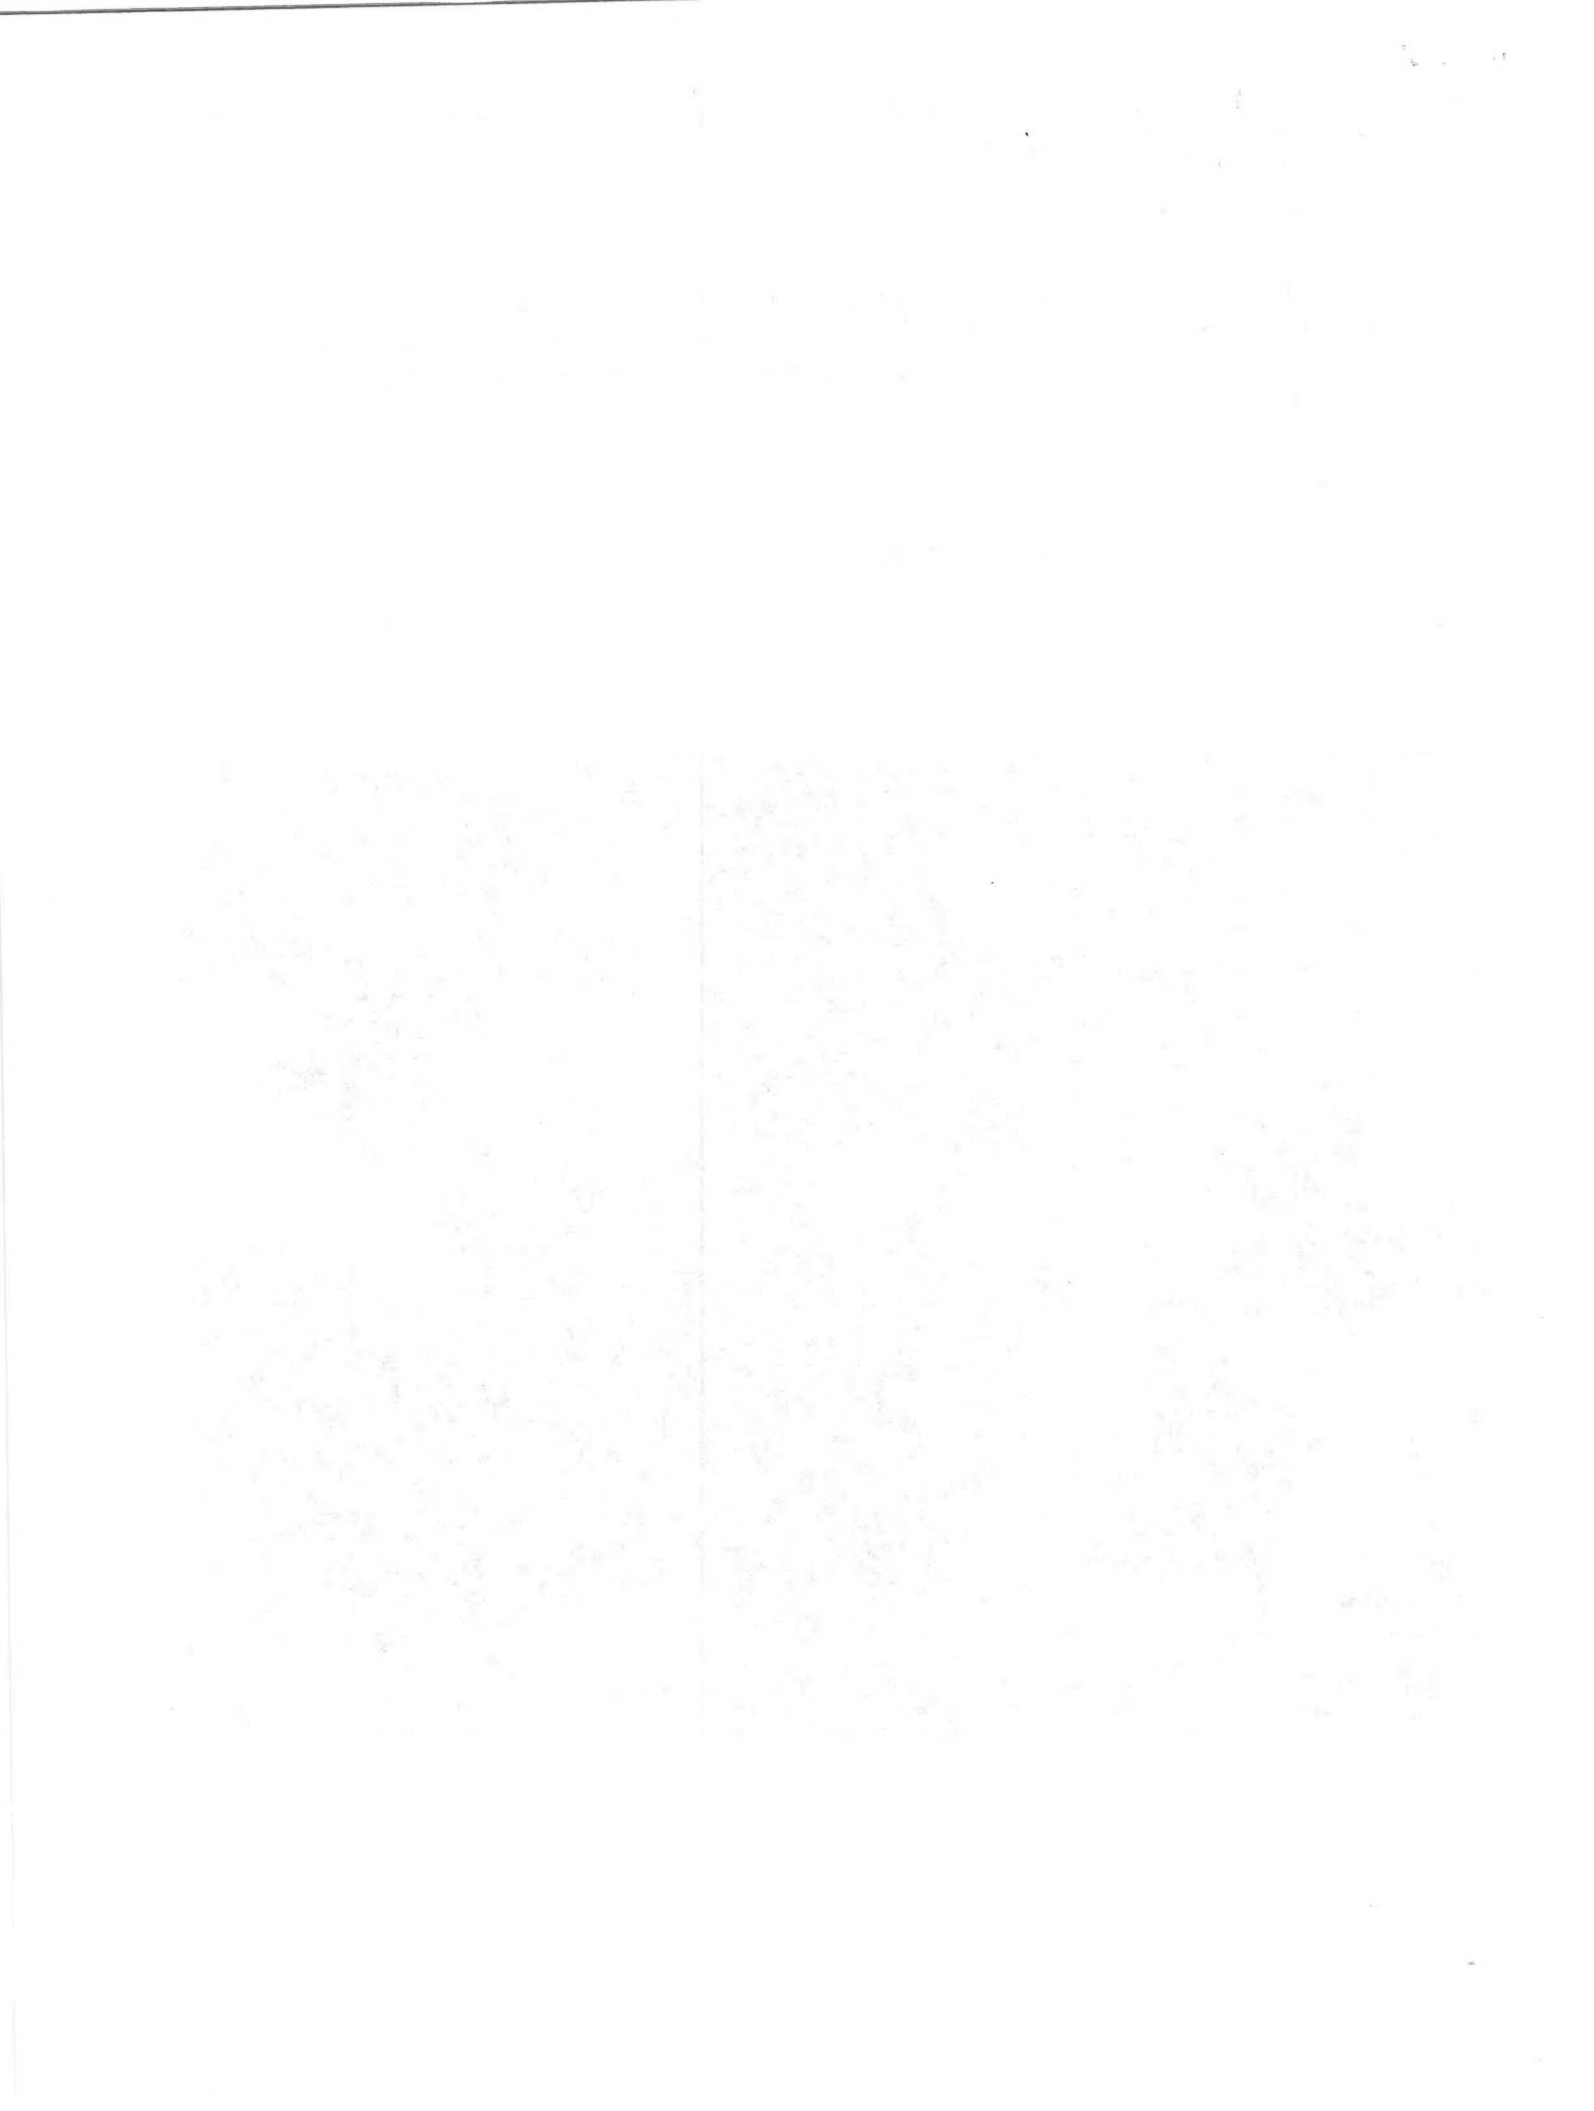

### **MITIGATION/CLEANUP**

Clean-up operations began at approximately 0930 hours and completed at 1000 hours. Clean Harbors and Sanitation Solids personnel cleaned the area of misc. bulky items, trash and debris. Contaminated items were packed up for proper transport and disposal by Clean Harbors Environmental Services..

### **EVIDENCE/SAMPLES**

WPD Officer Berberabe collected 3 photographs

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be carefully documented to ensure the integrity of the financial data. This includes recording dates, amounts, and the nature of the transactions. The second part of the document provides a detailed breakdown of the company's revenue streams. It identifies the primary sources of income and analyzes their contribution to the overall financial performance. The third part of the document outlines the company's expenses and the measures taken to control costs. It highlights the areas where the most significant savings have been achieved and discusses the strategies for further cost reduction. The final part of the document summarizes the key findings and provides recommendations for future actions. It stresses the need for continued vigilance in financial management and the importance of regular audits to ensure compliance with all relevant regulations.
